Copy of the Application along with the annexures thereto shall be furnished to the Respondents/Representative of these Respondents forthwith.</p> <p style="text-align: center;">It is submitted on behalf of the Learned Counsel appearing for the Applicant that interim direction to</p>

permit the operation of the industry may be granted as there has been substantial compliance of the recommendations made by the Joint Inspection Team. It is brought to our notice that the MEE (Multi Effect Evaporator) is yet to be installed; however, an order has been placed for its installation and commission by 31-12-2015. The effect of the MEE (Multi Effect Evaporator) is to reduce the volume of this spent wash and make the unit zero liquid discharge unit as required by the CPCB.

We have to examine the effect of MEE (Multi Effect Evaporator) being not commissioned before we pass interim order at this stage.

List the matter on 8<sup>th</sup> October, 2015.
