

**BEFORE THE NATIONAL GREEN TRIBUNAL,
PRINCIPAL BENCH, NEW DELHI**

Original Application No. 521 of 2015

M. M. Charitable Trust Vs. State of Rajasthan & Ors.

**CORAM: HON'BLE MR. JUSTICE R. S. RATHORE, JUDICIAL MEMBER
HON'BLE MR. RANJAN CHATTERJEE, EXPERT MEMBER**

**Present: Applicant :Siddharth Tatiya
RSPCB :Mr. Shiv Mangal, Mr. Lokendra, Mr. Saurabh,
Mr. Adhiraj**

	Date and Remarks	Orders of the Tribunal
	Item No. 01 May 06, 2016	<p>Earlier a specific order was passed on 07.04.2016 directing the Respondents to inspect the individual unit connected with CETP in respect of parameter and quantum of effluent. It was also ordered that Respondent No. 2 – State Pollution Board to inspect individual unit and identify those having discharge of 100 kld. It was for the purpose to have the details ,after inspection, that the matter be placed before the National Green Tribunal, Principal Bench, New Delhi today.</p> <p>But, we are informed today that no inspection in light of the aforesaid directions have been made. It is submitted by the Counsel for State Pollution Board that earlier they had taken details on the subject from time, to time, when consent was obtained.</p> <p>It is rather strange that the Respondent No.2 State Pollution Board do not care for the directions given to them and are trying to give explain for not conducting inspection on the ground which is not relevant for the purpose for which we had directed the inspection on last date. In case, whatever details and</p>

response is being given to us today was sufficient for the purpose for which the directions were issued then on the last date of hearing then explanation about the same should have been given at the time when the order was passed.

We deem it proper to direct that an inspection be conducted by the State Pollution Board in respect of two grounds ,namely:

- a. *Insect the individual unit connected with CETP ,particularly in respect of parameter and quantum of effluent.*
- b. *Inspect the individual unit and identify those which are discharging 100 kld and whether those units are having their ETP with workable RO and RO Management System.*

The report of the said inspection be furnished, with the copy to the other side, on or before 23.05.2016.

Let the matter be listed before Circuit Bench at Jodhpur on 30th May, 2016.
