

**BEFORE THE NATIONAL GREEN TRIBUNAL
EASTERN ZONE BENCH, KOLKATA**

Appeal No. 69/2013/PB/6/EZ

&

Appeal No. 70/2013/PB/7/EZ

Super Smelters Limited

Vs

Union of India & Ors.

CORAM: Hon'ble Mr. Justice Pratap Kumar Ray, Judicial Member
Hon'ble Prof. (Dr.) P. C. Mishra, Expert Member

PRESENT: Appellant : Mr. Bibhu Prasad Tripathy, Advocate
Respondents No. 1 : None
Respondent No. 2 : Mr. Surendra Kumar, Advocate
Respondent No. 3 : None

Date & Remarks	Orders of the Tribunal
Item No. 3 & 4 8th July, 2015.	<p>Ld. Counsel for the appellant Mr. Tripathy submits that environmental clearance has already been granted to the project proponent. He prays for leave to file an affidavit annexing the said document.</p> <p>On the issue of imposition of penalty for operating the unit without environmental clearance, ld. Advocate for the appellant prays for time to make himself ready to argue on the point. Considering the prayer time is granted for a week.</p> <p>Ld. Adv. further submits that since environmental clearance has already been obtained, the interim order already granted may be allowed to continue till the grant of consent to operate by the State Pollution Control Board. However, considering the fact that consent to operate has not yet been granted, we are not inclined to extend the interim order any longer. However, in the interest of justice, we fix this matter for hearing on 15.7.2015 and till then the interim order will continue. The State Pollution Control Board is directed to dispose of the application of consent to operate submitted by the project proponent in accordance with</p>

law by 14.7.2015 in case environmental clearance has been granted by SEIAA.

Matter is fixed on 15.7.2015 for hearing. Necessary documents be produced in the form of an affidavit.
