**ORDER**

Present

Hon'ble Shri Justice Dr.P. Jyothimani, Judicial Member  
Hon'ble Prof.Dr.R. Nagendran, Expert Member

3rd September, 2015

This application is field by the applicant, a dyeing unit, for a direction against the respondents viz., the State Pollution Control Board to permit them to operate on all days of the week.

Admittedly as on date the applicant unit is permitted to function from Monday to Friday. The grievance of the applicant is that even by permitting the unit to work on Saturdays and Sundays the consented capacity will not be increased.

The learned counsel appearing for the applicant has submitted that in fact the applicant has made a representation to the State Pollution Control Board on 29.3.2010 and if a direction is given to the State Pollution Control Board to consider the said representation that would be sufficient.

Accordingly we dispose of the application with a direction to the respondents to consider the representation of the applicant dated 29.3.2010 and pass appropriate orders within a period of 8 weeks from the date of receipt of the copy of this order.

We make it very clear that the Pollution Control Board shall consider the application subject to the condition that by permitting the applicant to function on Saturdays and Sundays the permitted quantum shall not exceed as per "consent to operate".
