Date and Remarks	Orders of the Tribunal
Item Nos. 1,2 May 8, 2017 Order No.12,22	<p style="text-align: center;">Heard learned Counsel.</p> <p>Learned Counsel, Fawia Mesquita appearing for Respondent No.1- State of Goa files affidavit on record showing the work progress, seeking extension of time for completing the entire exercise of identification of 'forest like area' in the State of Goa. She submits that there has been delay in completion of identification process due to various reasons and another eighteen (18) months' time would be required to complete the process of identification of 'forest like area' in both South Goa and North Goa.</p> <p>Learned Counsel appearing on behalf of the Applicant objects to such prayer and prays for an extension of shorter time for the purpose. Since identification work in the North Goa is complete, as per the submission of learned Counsel for Respondent No.1 State of Goa, and in South Goa 70% work is over, extension of another six (6) months excluding the Monsoon, is justified. So time is granted up to March, 2018. By this time, State of Goa shall place on record an affidavit of completing the work of demarcation and file report. State of Goa is directed to file quarterly progress report till completion of work.</p> <p style="text-align: center;">List these cases on 27th July, 2017.</p> <p style="text-align: right;">....., EM (Prof. (Dr.) P.C.Mishra)</p>
