|  | <p><b>Item No.<br/>04</b></p> <p><b>January<br/>15, 2018</b></p> | <p>35300CFT)for further industrial and domestic uses without their being authorization to do so. It is further revealed that M/s. Rathi Still has moved an application dated 11-07-2017 for permission to abstract ground water from CGWA and the same is pending for approval. The Joint Inspection Team noted water meter readings from 3 borewells as follows:</p> <p>Borewell 1=170222m<sup>3</sup>, Borewell 2= 760153m<sup>3</sup> and Borewell 3=943265m<sup>3</sup>.</p> <p>We, therefore, issue notice to M/s. Rathi Steel why they should not be saddled with commensurate environmental compensation in respect of the water abstracted by them from the said borewells without authorization till this date.</p> <p>We, further, direct the CGWA to dispose of the pending application of the M/s. Rathi Steel in accordance with law within three weeks from today.</p> <p>We also find from the Joint Inspection Report that level of PM 10 in the ambient air has exceeded standards and the application for renewal of consent to operate is pending before the UPPCB.</p> <p>We, therefore, direct the M/s. Rathi Steel &amp; Power Limited to show cause as to why appropriate action including imposition of compensation for its contribution to the ambient air of PM 10 with resultant rise in parameter of PM10 in ambient air.</p> <p>We direct the UPPCB to dispose of the application of M/s. Rathi Steel for renewal of CTO in accordance with law within three weeks from today.</p> <p>Registry to serve notice to M/s. Rathi Steel &amp; Power Limited by registered post/acknowledgment due and dasti as well.</p> <p>Certain questions regarding generation of hazardous waste and its disposal were put to the States and we are informed by the Learned Counsel appearing for the applicant</p> |
