Date and Remarks	Orders of the Tribunal
Item No. 05 July 25, 2017 R	The joint inspection team after inspection of the applicant unit has submitted the report. In that report, it has been stated that the unit is compliant and non- polluting and in fact, it has been recommended that the unit may be permitted to operate. In view of that report, we permit the industry to operate in accordance with law and subject to inspection on regular intervals. With the above directions, Original Application No. 455 of 2017 stands disposed of. No order as to cost.
